

Featured Spaces & Site Sponsorship Information

About

CRWD SRFR offers venues and interested parties two distinct ways to both amplify your events and brand, as well contribute to and support the website: Featured Spaces, and Site Sponsorship.

Featured Spaces

“Featured” is an area of the website where individual shows and events are advertised outside of the main “Calendar” page.

Each event is presented in it’s own “space” that allows for either a portrait or banner style image that can click through to a URL of your choosing. All events are presented in chronological order.

Site Sponsorship

By becoming a Site Sponsor, you directly support the continued development of CRWD SRFR while amplifying your brand at the end of our popular “Calendar” page. In addition to this brand placement, you’ll also get special discounts on Featured Spaces.
